Dear Sir:

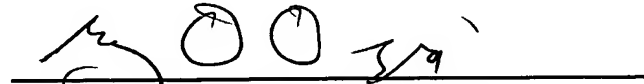

In response to the Examiner's Restriction Requirement dated October 24, 2003, Applicant respectfully requests prosecution of Claims 23 - 31 with traverse. The Examiner indicates Claims 23 - 31 are drawn to a "functional element." Applicant believes that Claims 23-31, including independent Claim 23 are drawn to a single species. Applicant respectfully submits that independent Claim 23 is a generic claim for a functional element.

Applicant retains the right to prosecute Claims 1-22 and 32-43 at a later time.

Although it is believed that no fee is due for the filing of this Response, the Commissioner is authorized to charge our Deposit Account No. 08-2789 for any additional fees or credit the account for any overpayments regarding this Response.

Respectfully submitted,
